Revealing, Igniting and Spreading the Light of Christ

# Answer

## The Answer:

From small rural towns to large metropolitan cities, in every geographic and socio-economic segment of America, the **Marketplace Leader** has become the influential voice of our culture.

*For such a time as this...*

God has positioned Christian Leaders in the Marketplace – during this critical time in the history of the American Church – to impact our culture for His glory.

*Are you ready for the challenge – an adventure beyond your wildest imaginations?*

## The Challenge

Many believe that the Church in America has lost its voice in the culture. Division, a compromised gospel, and a lack of the demonstration of God's love have left a tragic void. Regrettably, the Leaders of the American Church no longer carry the influence necessary to spiritually transform their communities.

It is a great encouragement to know that God has positioned Christian Leaders in the Marketplace to impact our culture for His glory. He has given them the voice, resources and authority to initiate and lead the spiritual transformation of our communities. It is time for the people of God, in positions of influence, to recognize their responsibility to His kingdom.

It is the size of the heart – not the size of the organization or department – that defines a Marketplace Leader's influence. The Lord is looking for those hungry for His presence; hungry to see His glory; and hungry for revival in their lives, families and fellowships. He is looking for men and women that will lay down their lives, take up their crosses, and follow after Him. The faithful, courageous and obedient saints that answer the call will be transformed from glory to glory.

## Our Mission:

*To Come Alongside Marketplace Leaders*

**INLIGHT CONSULTING** has been called by God to encourage, edify and equip Marketplace Leaders, and those within their spheres of influence, to initiate and lead the spiritual transformation of their communities.

## Our Ministry Model

All that we do is for the glory of God, the reign of His Son, and the advancement of His kingdom. We work alongside Marketplace Leaders to prepare Christians within their spheres of influence to take the light of Christ into their communities. We organize and sponsor ministry projects that give Marketplace Christians the opportunity to experience joyful, Spirit-filled ministry while impacting their community for God's glory (Matthew 5:16). To this end, we facilitate the formation of Marketplace networks, and synergistic relationships with established ministries – making the most of God's provision and grace; in answer to Christ's prayer for unity (John 17:20-23).
